

Spring 2018

# Oncology Lecture Series

The lectures will be held from 12:00 – 1:00 pm in the Cancer Center media rooms.

These presentations will be of interest to Nurses, Pharmacists, Radiology Technicians, and other interested health care providers. No pre-registration is necessary. You may register at the door.

## Continuing Nursing Education (CNE) Credit

Providence Alaska Learning Institute, Providence Health & Services Alaska, is an Approved Provider of continuing education in nursing by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Providence employees will be able to print their CNE certificates from their transcript in HealthStream.

## Accreditation Council for Pharmacy Education (ACPE)

The Alaska Pharmacists Association (AKPhA) is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). AkPhA will award 1.0 credit hour of pharmacy CPE to pharmacists and pharmacy technicians that complete each Knowledge Based Activity. Upon satisfactory completion of each lecture, AKPhA will report participant CPE to the CPE monitor within 60 days. AkPhA members and PAMC employees: No Charge, Non AkPhA members and non PAMC employees: \$20.00 per lecture.

## Disclosures pertaining to requirements for successful completion of a continuing education (CNE and CPE) activity

In order to receive full contact-hour for this CNE/CPE activity, you must:

- Sign in the roster for the conference/course each day of this presentation,
- Remain until the scheduled end time; and
- Complete a Course Evaluation form for each day of the presentation and turn them in at the registration desk at the end of each day.

This continuing nursing education is being offered without the influence of bias. No conflicts of interest have been identified, no commercial support was received, the event was not sponsored, and no off-label products will be discussed.

**Excellent Healthcare through Continuous Learning**

## Spring 2018 Oncology Lectures

Activity Title	Learning Objectives	Date	Presenter	Room
Breast Cancer	Identify the following characteristics of breast cancer: Epidemiology, Etiology, Risk Factors and Genetics, Clinical Presentations, Screening, Staging, Treatment, Prognostic Factors, Prevention, Future treatments.	9-Jan-18	Ian Ingram, PharmD	2285
