KEYNOTE SPEAKER Rear Admiral (RADM) Pamela Schweitzer retired in September 2018 from a four year term as the Assistant Surgeon General and 10th Chief Pharmacist Officer of the United States Public Health Service (PHS). As Chief Pharmacist Officer (first female in this role), RADM Schweitzer was responsible for providing leadership and coordination of more than 1,300 PHS pharmacy officers in 13 agencies with the Office of the Surgeon General and the Department of Health & Human Services.

RADM (ret) Schweitzer received her Bachelor's degree in Biological Sciences from California State University Fullerton (CSUF), earned her Doctor of Pharmacy (Pharm.D.) from the University of California San Francisco (UCSF) School of Pharmacy, and completed an Ambulatory Care/Administrative Residency at University of California Irvine Medical Center.

RADM (ret) Schweitzer has been recognized for her leadership contributions, including the American Pharmacists Association (APhA) Distinguished Federal Pharmacist Award (2014), the USPHS Mary Louise Anderson Leadership Award (2012), IHS Senior Pharmacist of the Year Award (2013), the University of California San Francisco (UCSF) School of Pharmacy 2015 Distinguished Alumnus of the Year, 2016 American Society of Health-System Pharmacists (ASHP) William Zelmer Lecture Award, National Council for Prescription Drug Program (NCPDP) Champion Award (2017) and Surgeon General Exemplary Service Medal (2018), ASHP 2019 Distinguished Leadership Award.

This conference is accredited for up to 7.5 hours of Pharmacist (P) and Technician (T) CE credit. Credit will be awarded upon receipt of evaluations for each activity and reported to CPE Monitor within 60 days. AKPhA is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education.
