35th Annual Alaska Native Diabetes Conference 2019

Oct. 8-10

Sheraton Anchorage Hotel & Spa
401 E 6th Ave, Anchorage, AK

Diabetes care, prevention and treatment in Alaska Native People.

This conference has been designed specifically for physicians, physician assistants, nurse practitioners, nurses, pharmacists, dietitians, CHA/P, psychologists, exercise physiologists, certified diabetes educators and other health care professionals who care for patients with diabetes. Our focus is on Alaska Native People.

- Learn innovative standards in diabetes management
- Discover regional resources in diabetes prevention
- Meet statewide partners to improve diabetes care
- Engage with experienced product representatives and other vendors

Registration Deadline September 27, 2019
