

Alaska Pharmacists Association 55th Annual Convention

Location: Online Via Zoom

Dates: Friday, February 12 – Sunday, February 14, 2021

Target Audience: Pharmacists and Pharmacy Technicians

Thank You to Our Convention Sponsors!

Friday, February 12, 2021

**Silent Auction Open on AKPhA Facebook Page to Support Student Scholarship Program
Ends Saturday, February 13th at 4:30 pm <https://www.facebook.com/AlaskaPharmacist/>**

8:00 am – 2:00 pm “Sustainable Pharmacist-Provided Healthcare Services: A Documentation, Medical Billing and Advocacy Primer”

UAN 0139-0000-20-100-L04-P (5.0 CPE Hours) *Application-Based Activity—PHARM ONLY*

Andrew Hibbard, PharmD, BCGP

Ambulatory Care Clinical Coordinator, CareOregon

Renee Robinson, PharmD, MPH, MSPharm

Associate Professor, UAA/ISU Doctor of Pharmacy Program

Zach Rosko, PharmD, BCPS, CDE

Director of Pharmacy and Care Teams, Neighborhood Health Center Oregon

Tom Wadsworth, PharmD, BCPS

Assistant Dean of Alaska Programs, UAA/ISU Doctor of Pharmacy Program

Learning Objectives:

1. Illustrate how to document a patient encounter using a SOAP note that supports billing the medical benefit.
2. Demonstrate coding a patient visit to obtain reimbursement from the medical benefit for pharmacist provided healthcare services
3. Identify barriers to billing the medical benefit for pharmacist-provided healthcare services.
4. Identify opportunities to support the sustainability of pharmacist-provided healthcare services in Alaska and nationally.

1:00 – 2:00 pm “Innovation Driving Pharmacy Today”

UAN 0139-0000-21-101-L04-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Mitch Larson, Senior Marketing Specialist

TelePharm

Pharmacist Learning Objectives:

1. Describe the impact of past pharmacy innovations on the advancement of the practice of pharmacy
2. Describe the ways in which new innovations can be implemented in your practice to provide better patient outcomes.
3. Discuss common misconceptions surrounding the innovations in pharmacy, and discuss how they can be impactful in practice today.

Technician Learning Objectives:

1. Describe the role of a pharmacy technician as pharmacy continues to evolve with new innovations
2. Recognize the viability of technicians performing their duties safely and accurately without the pharmacist supervision associated with traditional pharmacy methods

2:00 – 2:15 pm Exhibitor Information Break

Sponsored By Bristol Myers Squibb

2:15 – 3:15 pm “Immunization Update”

UAN 0139-0000-21-102-L06-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Taylor Goree, PGY1 Resident, Providence Alaska Medical Center

Learning Objectives:

1. Review immunization schedules and pertinent Alaska laws
2. Identify special populations and associated vaccine requirements
3. Discuss changes and updates to vaccine recommendations
4. Summarize evidence on potential COVID-19 vaccination

3:15 – 3:30 pm Exhibitor Information Break

Sponsored By GlaxoSmithKline

3:30 – 4:30 pm “Podium Poster Presentations”

UAN 0139-0000-21-110-L04-P/T (1.0 CPE Hour) *Application-Based Activity*

Jessica Hiney, PGY1 Pharmacy Resident, Alaska Native Tribal Health Consortium

Jacob Jordan, PharmD Candidate 2022, Talethia Bogart, PharmD Candidate 2020, Olivia Swonger, PharmD Candidate 2023, Tristan Underwood, PharmD Candidate 2024

Jose Lopez, PharmD Candidate 2022, James Parrish, PharmD Candidate 2022

Cassandra Sanborn, PharmD Candidate 2021

Learning Objectives:

1. Compare and contrast the financial and therapeutic impact related to the use of Remicade (infliximab) and Renflexis (infliximab-abda)
2. Recognize different ways to sustain growth and optimize outreach of healthcare initiatives during the era of COVID-19.
3. Identify availability of community pharmacies relative to geographic population density in the state of Alaska.
4. Identify the main changes on the therapeutic monitoring of vancomycin for serious methicillin-resistant *Staphylococcus aureus* infections updated 2020 consensus guidelines.

Saturday, February 13, 2021

**Silent Auction Open on AKPhA Facebook Page to Support Student Scholarship Program
Ends Saturday, February 13th at 4:30 pm <https://www.facebook.com/AlaskaPharmacist/>**

8:00 – 9:30 am “Public Health COVID Response”

UAN 0139-0000-21-104-L01-P/T (1.5 CPE Hour) *Application-Based Activity*

Joe McLaughlin, MD, MPH, State Epidemiologist and Chief, AK Section of Epidemiology

Coleman Cutchins, PharmD, Alaska Department of Health & Social Services

Kara King, PharmD, MPH, NCPS, CAPT, USPHS, Chief of Pharmacy Services, Alaska Native Medical Center

Erin Narus, PharmD, RPh, Pharmacy Services Mgr, Lead Pharmacist Health Care Services, Alaska Medicaid

Learning Objectives:

1. List at least three recent developments regarding COVID-19 and discuss their importance in clinical management of the disease.

2. Discuss lessons learned from statewide (phase 1a) COVID-19 vaccination efforts including vaccine confidence and hesitancy in the community.
3. Analyze current data on COVID-19 vaccine safety and efficacy data.
4. Discuss updates on PCR tests, serology, and test shortages.

9:30 – 9:45 am Exhibitor Information Break
Sponsored By AmerisourceBergen

9:45 – 10:45 am “Alaska Medicaid Update”

UAN 0139-0000-21-105-L03-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Erin Narus, PharmD, RPh, Pharmacy Services Manager, Lead Pharmacist Health Care Services
 Alaska Medicaid

Learning Objectives:

1. Outline how to enroll as a Pharmacist Renderer and Pharmacy Professional Group with Alaska Medicaid in compliance with federal regulation.
2. Review recent Alaska Medicaid vaccine (01/10/2021) and pharmacy public health emergency (02/12/2021) regulation changes.
3. Define regular versus emergency regulations and State Plans.
4. Discuss claims processing and coverage requirements for vaccines administered to children.

10:45 – 11:00 am Exhibitor Information Break
Sponsored By Independent Pharmacy Cooperative

11:00 am – Noon “Pharmacist Prescribing of Naloxone in Alaska: Updates and Opportunities”

UAN 0139-0000-21-106-L08-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Elaine Nguyen, Assistant Professor, Idaho State University College of Pharmacy
 Renee Robinson, Associate Professor, UAA/ISU Doctor of Pharmacy Program

Pharmacist Learning Objectives:

1. List the three identified themes from statewide interviews that impact pharmacist-provision of naloxone
2. Summarize training needs, resource needs, and barriers identified from statewide survey data to pharmacist-provision of naloxone
3. Identify at least one personal opportunity to help Alaska sustainably provide naloxone through pharmacies

Technician Learning Objectives:

1. List the three identified themes from statewide interviews that impact pharmacist-provision of naloxone
2. Summarize training needs, resource needs, and barriers identified from statewide survey data to pharmacist-provision of naloxone
3. Identify at least one personal opportunity to help Alaska sustainably provide naloxone through pharmacies

Noon – 1:00 pm Live Auction to Support Student Scholarships (15 Minutes) / Lunch Break On Own

1:00 – 2:00 pm “Legislative Update”

UAN 0139-0000-21-107-L03-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Barry Christensen, RPh, Island Pharmacy

Lis Houchen, National Association of Chain Drug Stores (NACDS)

Tom Wadsworth, Assistant Dean for Alaska Programs, UAA/ISU Doctor of Pharmacy Program

Dirk White, RPh, Harry Race and White’s Pharmacies

Pharmacist Learning Objectives:

1. Describe the status of Point of Care testing in Alaska and other regional states and pharmacist’s statutory ability to provide such services.

2. Explain the current status of Pharmacist Provider Status in Alaska and the impact of the SETmUPP project to further such efforts.
3. List three legislative bills that AKPhA is monitoring in the 2021 legislative session.
4. Identify possible future Alaska pharmacy legislative action items/issues.

Technician Learning Objectives:

1. Describe the status of Point of Care testing in Alaska and other regional states and the role of pharmacy technicians in the ability to provide such services.
2. Explain the current status of Pharmacist Provider Status in Alaska and the impact of the SETmUPP project to further such efforts.
3. List three legislative bills that AKPhA is monitoring in the 2021 legislative session.
4. Identify possible future Alaska pharmacy legislative action items/issues.

2:00 – 2:15 pm Exhibitor Information Break
Sponsored By UAA/ISU Doctor of Pharmacy Program

2:15 – 3:15 pm “Denaakk’e: Who We Are / Healthcare of Alaska Natives”

UAN 0139-0000-21-108-L04-P/T (1.0 CPE Hour) *Application-Based Activity*

Robin Demoski, Inpatient Nurse, Fairbanks Memorial Hospital

P2 Year, Pacific University School of Pharmacy

Learning Objectives:

1. Explain one way colonization affected the health of Koyukon Athabascans.
2. Differentiate between the Indian Health Service funded, tribally managed healthcare in Alaska and the Indian Health Service managed healthcare predominant in the contiguous United States of America.
3. Describe the importance of language as it pertains to the health of Koyukon Athabascans who utilized an oral tradition for thousands of years.

3:15 – 3:30 pm Exhibitor Information Break
Sponsored By NovoNordisk

3:30 – 4:30 pm “A Whole Clotta Mystery: Dosing Anticoagulants in Obesity”

UAN 0139-0000-21-109-L01-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Corrie Black, PGY1 Pharmacy Resident, Providence Alaska Medical Center

Andrew Zwerlein, PGY1 Pharmacy Resident, Providence Alaska Medical Center

Pharmacist Learning Objectives:

1. Describe pharmacokinetic changes in obesity
2. Summarize current literature for anticoagulants in an obese population
3. Apply appropriate dosing strategies and monitoring plans for oral and parenteral anticoagulants in obesity

Technician Learning Objectives:

1. Define obesity according to the World Health Organization
2. List possible risks to the patient associated with sub- or supratherapeutic dosing of anticoagulants

4:30 pm Silent Auction Closes on Facebook

Sunday, February 14, 2021

7:30 – 8:00 am Mindful Meditation (Non-Accredited Session)

Dr. Rebecca Robinson, Alaska Native Medical Center

8:00 – 9:30 am “Beyond Medication Error Reporting: Identifying Risk in Your Organization”

UAN 0139-0000-21-111-L05-P/T (1.5 CPE Hour) *Knowledge-Based Activity*

Matt Grissinger, RPh, FISMP, FASCP, Director of Error Reporting Programs

Learning Objectives:

1. Describe how ISMP receives and analyzes medication error reports and what we have learned from medication error information
2. Identify factors that may cause healthcare practitioners to be reluctant to report an error.
3. State how the underreporting of errors as well as the lack of a thorough investigation prevents effective system enhancement and improvement of patient outcomes.
4. Identify useful methods of collecting, analyzing, and using data about medication safety.

9:30 – 9:45 am Exhibitor Information Break
Sponsored By SETMuPP

9:45 – 10:45 am “AK Connect Live – Roundtable CE”

UAN 0139-0000-21-112-L04-P/T (1.0 CPE Hour) *Application-Based Activity*

Facilitator Michelle Locke, PharmD

Transitions of Care Pharmacy Program Director, Alaska Native Medical Center

Facilitator Ashley Schaber, PharmD, MBA, BCPS

Inpatient Pharmacy Manager, Alaska Native Medical Center

Learning Objectives:

1. Create an atmosphere to promote professional networking
2. Identify specific hot topic issues participants are experiencing
3. Analyze specific hot topics to assist with problem solving at all levels
4. Apply information learned to improve current practice

10:45 – 11:00 am Exhibitor Information Break
Sponsored By Partnership for Safe Medicines

11:00 am – Noon “Alaska Board of Pharmacy / PDMP Update”

UAN 0139-0000-21-113-L03-P/T (1.0 CPE Hour) *Knowledge-Based Activity*

Justin Ruffridge, Board of Pharmacy Member

Lisa Sherrell, Alaska Prescription Drug Monitoring Program Manager

Learning Objectives:

1. Review upcoming legislative actions
2. Review regulatory changes made this year
3. Review regulatory projects that the board is currently working on

Noon – 1:00 pm Lunch—AKPhA Business Meeting & Awards Ceremony

1:00 – 2:00 pm “Helping Our Patients Breathe: Review of Targeted Biologics for Asthma”

UAN 0139-0000-21-114-L01-P/T (1.0 CPE Hour) *Application-Based Activity*

Christopher Chong, PharmD, BCPS, AE-C

Integrated Clinical Pharmacist, Benteh Nuutah Valley Native Primary Care Center

Learning Objectives:

1. Describe the epidemiology and underlying pathophysiology of asthma
2. Review published guideline recommendations regarding asthma management with biologics
3. Compare biologic treatments options for asthma (e.g. anti-IgE, IL-5 antagonists, and IL-4 receptor antagonist)

2:00 – 2:15 pm Exhibitor Information Break
Sponsored By Athenex

2:15 – 3:15 pm “The Basics of Biosimilars: Understanding Their Place in Therapy”

UAN 0139-0000-21-115-L01-P/T (1.0 CPE Hour) *Application-Based Activity*

Jessica Hiney, PGY1 Pharmacy Resident

Alaska Native Tribal Health Consortium

Pharmacist Learning Objectives:

1. Describe the biosimilar approval process.
2. Compare and contrast the interchangeability of a biosimilar agent with the parent biologic based on current FDA labeling.
3. Demonstrate how to implement the addition of a biosimilar agent to a hospital formulary.
4. Outline a treatment regimen for an eligible patient to switch from a parent biologic to the biosimilar agent.

Technician Learning Objectives:

1. Recognize the brand and generic names of biosimilar agents available on the US market.
2. Explain the differences between a parent biologic and its biosimilar agent.
3. Identify the benefits and drawbacks of adding biosimilar agents to an institution's formulary.

3:15 – 3:30 pm Exhibitor Information Break

Sponsored By Pharmacists Mutual

3:30 – 4:30 pm “HIV PrEP – The Basics”

UAN 0139-0000-21-116-L02-P/T (1.0 CPE Hour) *Application-Based Activity*

Tiffany Ma, PGY1 Pharmacy Resident, Southcentral Foundation

Madalene Mandap, PharmD, BCPS, Integrated Pharmacist, Southcentral Foundation

Pharmacist Learning Objectives:

1. Identify appropriate indications and contraindications of HIV PrEP
2. Illustrate an appropriate monitoring plan for HIV PrEP
3. Compare and contrast HIV PrEP options

Technician Learning Objectives:

1. Identify appropriate indications and contraindications of HIV PrEP
2. Recognize the medications indicated for HIV PrEP
3. List common side effects of HIV PrEP medications

Continuing Pharmacy Education (CPE)

The Alaska Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Topic Designators: 01 Disease, 02 AIDS, 03 Law, 04 General Pharmacy, 05 Patient Safety, 06 Immunizations, 07 Compounding, 08 Pain Management/Opioids

To receive credit, participants must attend each activity in its entirety and **complete online CPE Evaluations & the Convention Evaluation/Needs Assessment by Midnight, Sunday, February 21st.**

CPE credit will be posted to the online CPE Monitor system within 60 days of each activity date.
