

MISSION	Preserve, Promote and Lead the Profession of Pharmacy in Alaska
VISION	To be the resource for and voice of patient-focused pharmacy care in Alaska
PURPOSE	Advancing pharmacy
CORE VALUES	Advocacy, Education, Collaboration, Engagement, and Integrity

Long-Range Goals and Short-Range Strategies

Be the advocacy leader in Alaska supporting healthcare members through provider status reimbursement and billing implementation strategically expanding the scope of service.

- 2021-2022 Strategy—Advocate for passage of HB 145 "Expand Pharmacist Authority"
- 2021-2022 Strategy—Establish public relations & training toolkit for pharmacists based on expanded services

Identify and develop the next generation of professional leaders in Alaska.

- 2021-2022 Strategy—Host half-day Pharmacy Leadership Development Event

Create a robust and sustainable award fellowship/young leaders program with multi-tiered mentors for impact.

- 2021-2022 Strategy—Encourage nominations and referrals from membership
- 2021-2022 Strategy—Engage newly awarded Fellows as ambassadors / leading training initiatives

Create a technology infrastructure and social media platforms to expand/increase programs and services to members, administration, patients, and providers.

- 2021-2022 Strategy—Rotate social media posting tasks within community relations committee to engage more members and enhance statewide presence/representation.
- 2021-2022 Strategy—Take advantage of free resources to develop a shared system of information and provide training opportunities to ensure use and functionality.

Develop and support partnership with the University of Alaska Anchorage Doctor of Pharmacy Program to address job retention and recruitment through expanded roles and residency initiatives.

- 2021-2022 Strategy—Explore IPPE/APPE opportunities within Association

Increase member participation and wellness through education and workforce opportunities.

- 2021-2022 Strategy—Participate in National State-Based Pharmacy Workplace Survey Project
