Complete Evaluations >

Then below the “Evaluation Quick Links” line follow the link and complete the required ACPE evaluation for that presentation.

Once you have entered the secret codes and taken the individual presentation evaluations required by ACPE **for all presentations that you attended**, you will need to click “**Complete Evaluations**” (green button in lower right hand corner) and **complete the OVERALL EVALUATION AND NEEDS ASSESSMENT (See below)**. Ensure that all credits you are wishing to obtain are listed on the page in green and say completed.
