

PBMs are hurting patients, communities & pharmacies in Alaska

We are all experiencing the negative impacts that PBMs are having on our patients. Decreasing access to pharmacy care within our communities and driving up the cost of prescription drugs.

Learn more about their abuses and how they hide behind smoke and mirrors.

- Check out Buddy Carter's Pulling Back the Curtain on PBM Abuses
- Watch Dr. Mariana Socal describe the system that allows and even incentivizes PBMs to drive up the cost of drugs (20 Min.)
- Take a peak at what PBMs think of patients and profits
- See one of their new tricks putting hurdles up for patients

Stay informed so we can fight their corrupt practices harming Alaskans.
